

## **Diamond Ball at the St. Louis Arc Centene Family Center**

Saturday, October 9, 2010 was a star-studded evening at the Arc's new Family Center. We welcomed the people we support to the Diamond Ball, a formal dance complete with music, food and friends.

Nearly 100 people dressed to the nines and attended the fun-filled event. Our back resource room was transformed into a dazzling dance space and everyone seemed to have a great time. Appetizers were served, a DJ played dance music and everyone had a great time getting their photos taken during the event.

Special thanks to all Arc employees who made this special night happen, including the Diamond Ball committee and the direct support staff who also attended! It truly was a night to remember for the people we support and a fantastic way to celebrate our 60th anniversary and our new Family Center!
