**NEW LEISURE COORDINATOR!!**

The Leisure team is excited to announce Dan Correll as the newest member of the Leisure team. He will be coordinating the Basketball, Softball, and Soccer Leagues, Walking Club, Golf and all the Arc United Sports (Basketball, Softball, and Indoor Soccer). We are very excited to have him join the Leisure Department. For the past two years, Dan has been working at the St. Louis Arc in the On and Off Campus Residential Department. He has also worked as an Activities Coordinator at Southview Assisted Living Home and as an Admission Coordinator at Vatterott College. His vast experience as an Activities Coordinator for older adults which will assist the department in the future planning of leisure and recreation activities for a majority of our individuals who are nearing retirement age.

Dan graduated with a Bachelor's Degree in Mass Communication from the University of Missouri St. Louis. He is full of enthusiasm and energy and has a plethora of recreational and sports interest. Dan's newest interests are learning to cook with fresh herbs and spices and planning a wedding cruise for next spring.

**BEST WISHES SONJA!!**

It is with great sadness that the Leisure Department is saying good bye to Sonja Preston. After 15 great years with us she will be transferring to the Residential Department to coordinating the Active Living Project and to develop and implement year round educational and recreational activities for the residences. We are happy for Sonja and know that working with older adults is her passion. She is going to be fabulous!

**PROGRAM ANNIVERSARIES: 40 YEARS FOR SOCCER & 10 YEARS FOR BOOK CLUB**

Leisure has been scoring goals with soccer for the past 40 years. Our athletes have had many successes including five different clinics with ST LOUIS FC Soccer club, a scrimmage in 2010 as a half time game at SIUE's Campus and expanding in 2013 to two teams; one in Des Peres and another team in Creve Coeur.

Book Club has been reading at five different locations during the past 10 years. It started with one session at five different book stores or local coffee shops and by 2015 we were offering two sessions at four locations. We have read countless books over the past 10 years and we have partnered with the local Next Chapter Book Club, who loan out books to our club.

A special thank you to our wonderful Soccer and Book Club volunteers who continue to dedicate their time and talent to these ever lasting programs.

## New Arc Website is on the Way!!

This summer the St. Louis Arc will unveil a new and improved website! Our Communications Department has spent the past year and a half researching, planning, and working towards what's sure to be a huge improvement. The website address ([www.slarc.org](http://www.slarc.org)) will stay the same, but the look, feel, and information will be new and up-to-date. Be on the lookout for additional communication about the launch date of the new site, as well as tips on where to find useful information on everything St. Louis Arc.

## Online Registration Going Away

In an effort to serve you better, and in conjunction with the launching of the St. Louis Arc's new website in August, registration for all St. Louis Arc programs will no longer take place on RecDesk. Unfortunately, RecDesk was a system that was rarely used by Arc families so the decision was made to eliminate it completely. Currently, individuals can sign-up for programs by filling out the registration form from the Leisure times and mailing it to the St. Louis Arc Family Center. Additionally, once the new website launches there will be multiple places throughout the website where individuals can download a .pdf fillable registration form and email it back to Bre Ward. If you have any questions about the registration process, please call Bre Ward at 314-817-2226.
