The Event

Superheroes for Kids raises funds and awareness for the St. Louis Arc's services for children with developmental disabilities. The superhero theme is incorporated into every aspect of the evening, and guests are invited to don their favorite superhero attire to get into the spirit. The 2018 Superhero for Kids award will be presented to Julie J. Williams, founder of the Maren Fund and tireless advocate for children with Down syndrome and other disabilities.

Who The Event Benefits

The Superheroes for Kids event benefits children with autism, Down syndrome and other disabilities served by the St. Louis Arc. With your help, more than 1,500 kids will receive the support needed to achieve their full potential.
