

## Wish List

The St. Louis Arc is dedicated to supporting people with disabilities and their families during these challenging times. We continue to provide 24/7, direct care work in all 32 residential homes. Additionally, we are supporting families in need, employees with disabilities as they return to their essential jobs, and are offering virtual support and programs. If you are able to donate any amount of the below items, it would help immensely. Please contact Lisa Miller at [llmiller@slarc.org](mailto:llmiller@slarc.org) for information about dropping off items.
