LEISURE PROGRAM UPDATES

Happy Holidays! Winter 2022, Leisure Programs are now available! We are so pleased to announce that with additional Covid-19 safety precautions, we are able to resume all of our bowling leagues this winter! In addition, we will continue to offer in-person Adult Music, The Artist in You, Next Chapter Book Club, Cooking for Comfort, as well as Yoga and Meditation. Unfortunately, we are not able to offer Basketball, Family Fun Night, or in-person Dances this winter season. Dance Club will continue in a virtual format.

As we continue to focus on FUN for 2022, we also want to keep our participants safe by implementing a few new safety precautions. Effective winter 2022, all bowling participants must be fully vaccinated or show proof of a negative Covid-19 test 48 hours before attending the program each week. In addition, we will be limiting the number of participants for all in-person programs, so please remember to get your registrations in as soon as possible! All Covid-19 safety protocols and guidelines will be distributed prior to the start of winter 2022 programs.

As we move towards winter 2022 programs, we will continue to monitor the pandemic conditions in the St. Louis area. If conditions have worsened, we may find it necessary to change in-person programming to a virtual format.

We thank each of you for your continued patience and support during this time and look forward to seeing you this winter.

Rhonda Hembree
Director of Leisure Services

VACCINE SURVEY RESULTS

Thank you for your feedback on our recent Covid-19 vaccination survey! We are happy to report that 98% of all respondents have been vaccinated. Your feedback on this survey enabled the Leisure Management team to make decisions about in-person programs and to determine safety protocols and procedures for those programs.

Your input on our surveys lead to better quality programs!

A HUGE THANK YOU TO ALL OF OUR FUNDERS & DONORS!

BLUEPRINT4summer STL

The St. Louis Arc is honored to have received renewed support from Blueprint4Summer STL. The needed funding provided scholarship assistance to allow youth with limited financial ability to participate in our Neighborhood Experiences summer project.

Founded in 2015, Blueprint4SummerSTL is committed to helping youth succeed by connecting them to opportunities that develop their creativity, expand their education, and prepare them for career success.

A Big Thank You To Our Donors!

We couldn't do it without you! As we look forward to 2022, the St. Louis Arc would like to take this moment to thank you for your generous and continued support through the tough times in 2021. Your contributions enabled us to offer new virtual programs, provide a few in-person programs safely in the community and stay whole as a department. We cannot thank you enough for the emotional and financial support you gave the Leisure Department and most importantly the people we support. You definitely made a difference in all of our lives!
