

SUPERHEROES
FOR KIDS

**YOU CAN BE A
SUPERHERO FOR KIDS
LIKE ME!**

Dear Friend,

After a two-year hiatus I'm excited to announce that the Superheroes for Kids event is back! On Thursday, October 13, our four superheroes and their friends will gather in style to celebrate children with developmental disabilities and raise support for the St. Louis Arc.

The event will take place at a great new venue: 18Rails, located at City Foundry STL. Spectacular food, drinks and entertainment will abound! And the 2022 "Superhero for Kids" award will be presented to Melinda Monroe, CEO of Nurses for Newborns, for her heroic commitment to early intervention.

I am asking you to consider supporting the event at one of our many sponsorship levels. The enclosed documents will tell you more about the event and what your sponsorship would entail. And with the event's expenses being underwritten by the World Wide Technology, Polarity and Lion Forge Animation, 100% of your contribution will go directly to help children with disabilities.

If you have questions, please contact John Taylor at (314) 817-2240 or jtaylor@slarc.org. On behalf of all the kids served by the Arc, thank you for considering our request.

Sincerely,

Mark A. Keeley
President & CEO, St. Louis Arc
